

Why I am an INNKEEPER

How did you first hear about Mary's Inn Maternity Home?

"We have known Colleen Pasnik for a long time and were aware of her good work at Mary's Inn through our local church and KCRD radio. We both agree that Mary's Inn represents our Catholic values."

What inspired you to be an Innkeeper?

Riley: "I am pro-life. Supporting Mary's Inn is a tangible way of putting my money where my mouth is."

Why do you continue to support Mary's Inn Maternity Home as an Innkeeper?

Teri: "I recently joined the board of Mary's Inn Maternity Home and want to make an ongoing commitment to help the organization maintain financial stability now and for many years to come. "
