

Why I am an INNKEEPER

How did you first hear about Mary's Inn Maternity Home?

"Through my Mom & Dad (Paul and Betty Dolter) who were active in Dubuque County Right to Life, Inc. "

What inspired you to be an Innkeeper?

I had known of girls at Wahlert who became pregnant during high school (back in the 1970s) and had actually co-written a piece in the Harvest (Wahlert's high school paper/magazine) titled "Pregnant, Alone and In Need"

Why do you continue to support Mary's Inn Maternity Home as an Innkeeper?

"Continued interest in doing something to support women in crisis rather than just telling a woman, 'You have to have the baby.' Transforming it to, 'How do we help you have your baby?'"

Dr. Kathy Dolter
